To Whom It May Concern:

I highly recommend Julie Fontenot as a candidate for an Elementary School Teaching position. As her Cooperating Teacher, I have had the pleasure of working with Julie for the Spring Semester of the 2018-2019 School year. She is in fact a hardworking, driven and organized teacher who excels at developing inspiring relationships with her students.

In all my observations of Ms. Fontenot, has always demonstrated exceptional teaching skills regardless of her class's age group or diversity of learning levels in the classroom. She is able to scaffold students to meet them at their level. She also takes the time to engage students in classroom discussions and worthwhile engaging and rigorous lessons.

To conclude Ms. Fontenot would be a great addition to any Elementary School. If you have any further questions with regard to her background or qualifications, please do not hesitate to contact me.

Sincerely,
